

TIL

Today I Learned

- Why \LaTeX
- How to write a simple document with sectioning, equations, references, citations
- Why Emacs

Homework

- Download Emacs and write a small LaTeX document with it
- Start customizing it!
- Find 10 games you can play inside emacs (hint: tetris, snake, hanoi...)

Wisdom of the day

While any text editor can save your files, only Emacs can save your soul.
